

Montetoro 8 Crianza

The age of our vineyards at Bodegas Ramon Ramos is between 20 and 60 years. We also have pre-phyloxeric vineyards older than 100 years these are very scarce.

Manual harvesting allows us to select the fruit, a task that will greatly influence in the quality of our wines.

In summary, the terroir is an unequivocal protagonist of each of our wines.

Our Crianza is a clean wine, with a medium high layer and an intense, deep-red edge. On the nose it is a very powerful wine, with a predominance of toasted notes of the barrel and sweet notes.

A wine with both balanced entrance and mouthfeel, smooth and with notes of vanilla and cocoa that make it very persistent.

Pairing / harmony: Charcoal-grilled meats, cured cheeses, cold meats, legumes, grilled mushrooms and for the most daring ones desserts made with black chocolates.
